

## News from Mautic: September 2024

Hello [First Name],

In this issue, we dive into the latest Mautic updates, including new releases for Mautic 4.4.13 and 5.1.1, featuring essential security and bug fixes. Catch up on Mautic Conference Global with all session recordings now available on YouTube. There's still time to participate in the design contest, explore the new API Library release, and submit nominations for the upcoming Mautic Awards. Plus, exciting highlights from Hacktoberfest, the 50th episode of Mauticast, free Mautic templates, and a call for businesses from Webmecanik.

Let's dive into the updates 🚀:

### New Mautic Release

There is a new release for Mautic 4 & 5. The [4.4.13](#) release contains 5 security fixes while the [5.1.1](#) release contains 18 bug fixes and 7 security fixes—many thanks to the security team and everyone who tested and reported bugs.

### Mautic Conference Global

The video recording of Mautic Conference Global are now on YouTube, you can watch [Track 1](#), [Track 2](#) and [International Track](#). We equally appreciate everyone who volunteered, including their time and resources.
